Vienna is a city of culture, boasting over 100 museums and a special charm that will create unforgettable memories.

DAY 5

70 KMS. ROAD

VIENNA - BRATISLAVA

*

We will start pedaling along the left bank of the Danube, observing as locals engage in various water sports on the river. Before we know it, we will find ourselves surrounded by the Auen National Park.

From the Auen National Park, we will gradually enter Slovakian territory, passing through places that offer glimpses of what was once the Iron Curtain of the former Soviet Union, arriving at the stunning city of Bratislava.

In the afternoon, we will explore the streets of the historic old town, and after our stroll, we will enjoy a traditional Slovak dinner at Solvak Pub, a local brewery.

Halfway through the stage, weather permitting, we will have the opportunity to swim in the Danube.

By midday, we will arrive in Komárno, a notable city in southern Slovakia that, following World War I, has half of its territory in Hungary. Here, we will reach the end of the stage.
